OVERVIEW

Nate is a Counsel in WH Burkley's Real Estate Group. He focuses his practice on real estate and financial services and has extensive experience in a wide range of commercial transactions, including representing clients in construction and economic development financing, acquisition and disposition of commercial properties, ground-up construction and development of commercial and industrial projects, sale lease-back transactions, operating company financing, bond financing, and urban and historic renovation projects.

Nate represents commercial banks and other lending institutions in construction and permanent financing, mezzanine financing and asset-backed financing, and his experience also includes representing creditors in loan restructurings, forbearance agreements, note sales, deeds-in-lieu of foreclosure and other work-out matters.

He counsels clients in a variety of industries, such as lending institutions (including special servicers), insurers, retailers, hospitals, private developers, self-storage companies, manufacturing companies, nonprofit organizations, government entities and restaurants.

Prior to his legal career, Nate served as finance director for the city of Brooklyn, Ohio and as secretary to the city's planning commission and zoning board.

EXPERIENCE

BOND FINANCING

- Represented Ohio Port Authority in connection with issuance of taxable conduit lease revenue bonds for ground-up construction and development of mixed-use office and multi-

family facility located in Cleveland

- Represented Ohio Port Authority in connection with issuance of taxable conduit lease revenue bonds for redevelopment of office tower located in Cleveland for multi-family facility and office use. Project was also supported by other credits and incentives, including historic tax credits and state and county loan and grants
- Represented placement agent in connection with Port Authority issuance of taxable capital lease revenue bonds concerning development of industrial facility in Lake County, Ohio
- Represented placement agent in connection with Port Authority issuance of taxable capital lease revenue bonds to finance the acquisition, construction and development of hotel in Cleveland

CREDITOR'S RIGHTS AND BANKRUPTCY

- Represented large, regional financial institution in connection with work-out strategy for multi-loan financing secured by 25-story mixed-use retail, office and hotel building located in South Bend, Indiana
- Represented large national financial institution in connection with work-out strategy concerning loan facility secured by a large residential housing development located in Cleveland, involving foreclosure of mortgaged property, working with receiver on continued construction efforts and dealing with lien claimants, negotiation of settlement agreement and deficiency note with guarantors and ultimate sale of loan
- Represented special servicer of securitized loan pools in the preparation for foreclosure of mortgaged property, negotiating deed-in-lieu of foreclosure agreements, settlement agreements and forbearance agreements, reviewing purchase and sale agreements for conveyance of REO properties, and advising client on rights and duties as special servicer under pooling and servicing agreements
